

SPREAD CARVER KINDNESS - HOLIDAY GIFT CARD PROGRAM

This month's district theme is KINDNESS. One way that Carver Elementary plans to show kindness during this busy holiday season is by sponsoring our SPREAD KINDNESS Holiday gift card program.

Beginning November 20th, we will be collecting gift cards to support our own Carver families during the holiday season. In line with November's theme of KINDNESS, our gift card collection will run from November 20th to December 1. Distribution will take place on Friday December 15th. Gift card ideas include restaurants, gasoline, grocery or clothing (Target, Walmart, Super America, Cub Foods, etc.). **Children can help by including a Kindness Card wishing someone happy holidays or any other well wishes with the idea that "KINDNESS IS FREE SPRINKLE THAT STUFF EVERYWHERE".** Hopefully, by providing some assistance to families for the basic essentials, our families will have a little something extra for the holiday season.

Families needing assistance and not receiving assistance from elsewhere may contact Mrs. Varpness, School Counselor at 556-1913 or Varpnessa@district112.org

Thank you in advance for participating on our

SPREAD
kindness.

gift card program.
