

Carver Elementary School

1717 Ironwood Drive
Carver, Minnesota 55315

Drop-Off/Pick-Up Extras

1. Please have your child exit the vehicle as soon as you pull up next to the sidewalk.

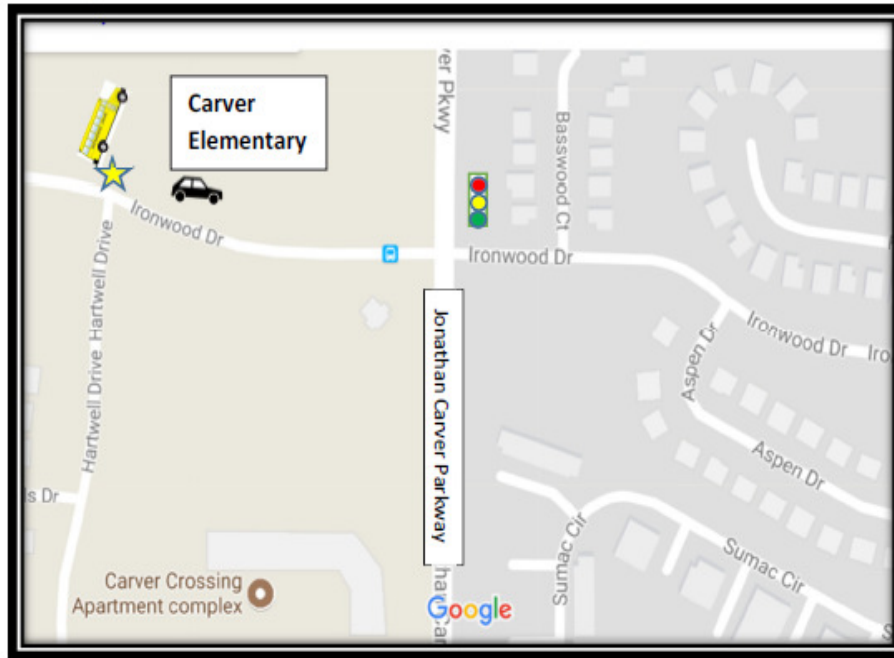

-This allows 7-10 vehicles to unload/load their children at the same time.

-This also utilizes the 20-150 feet of sidewalk along the front of the building.

2. While waiting in line, please prepare your child to exit the car with supplies and good-byes.

3. If your child needs assistance getting out/in of the vehicle or with backpacks, please use the first row in the parking lot. You can assist your child and they can proceed to cross the lane with staff.

This enables the continuation of the traffic flow.

Bussters

Buses will enter the same entrance on Ironwood Drive as cars and veer left to the loop behind the school. This entrance is for buses only. Students will enter the school on the north side of the building after being dismissed from their buses at 7:50.

Student Drop-up/Pick-up

Drop-off: Cars will enter the same entrance on Ironwood Drive as buses and veer right. Loop around the outside of the parking lot moving toward the front of the school. Pull forward toward the cafeteria windows as far as you can. When the line stops and you are parallel with the sidewalk, students should be prepared to exit your vehicle and proceed to the front door (directly below the school's name). They are asked to wait for the 7:50 bell to ring before entering the building. During winter months and inclement weather, students can move into the vestibule to wait.

Pick-up: Cars will enter the same entrance on Ironwood Drive as buses and veer right. Loop around the outside of the parking lot and continue to pull forward toward the cafeteria windows. Students will be waiting for pick-up along the front sidewalk. As soon as the row of cars comes to a stop, students can get in their vehicles. Everyone continues to move forward at the same time exiting the parking lot and making room for the next line of vehicles.

Walkers

Adult Supervision will be provided to assist students in crossing roads at the following intersections:

- Jonathan Carver Parkway and Ironwood Drive
- Ironwood Drive and Hartwell Drive

Students walking from the northeast and southeast side of Jonathan Carver Parkway will be crossed at 7:45 each morning. School personnel will press the walk buttons in coordination with traffic flow. Students will cross during the WALK signal time, along with adults using stop sign flags to alert traffic.

Students coming from the southwest side of Jonathan Carver Parkway, including the apartment building, will walk to the Ironwood Drive-Hartwell Drive intersection and will be crossed with adults using stop sign flags on the west side of the intersection and at the opening of the bus entrance and proceed to the front door of the school.
